

A Career with ALOETTE

... Bringing out the Inner Beauty in Every Woman 'Naturally' ...

Beauty Consultant

Sheri had such confidence in the quality of the ALOETTE Skin Care Line that she joined the then 7 year young company in March of 1985. As a stay-at-home Mom, she enjoyed the freedom and flexibility that being an ALOETTE Beauty Consultant offered. In less than one year, and still only working part-time with ALOETTE, Sheri recognized what this business opportunity could mean to other women, and as a result started recruiting others to join her Team.

Manager

Shortly thereafter she became a Manager with ALOETTE, continuing to enjoy the wonderful benefits of working from home to raise her family, and at the same time, realizing her financial goals and dreams as an independent business woman.

Success

Sheri's career as a Consultant, then Manager with ALOETTE, spanned 9 years, during which she earned countless cash awards, jewelry, and trips! In 2 of those 9 years, she was the Top Manager in Staff Sales, and 1 of those years reigned as Queen of Sales. In the other years she ranked always in the Top 5 with consistent achievements year after year. Culminating these accomplishments was attaining the annual earning of \$55,000 +, working less than 25 hours a week. This income now, with our current Management Matrix program, would equal easily in excess of \$80,000., annually!

The Markham Franchise, 1994 to 2005

In 1994, Sheri and Wayne purchased the Franchise rights, and started ALOETTE Cosmetics of Markham. She continues to work in the field to develop ALOETTE in the region, and also provides all the training and sales support for the Beauty Consultants on her team. Sheri has personally recruited well over 200 women in ALOETTE, thus empowering these women to reach their full potential too. Through these women, she has mentored hundreds of others as well; to take advantage of all ALOETTE has to offer.

Franchise Advisory Council

Nominated to sit on the Franchise Advisory Council (F.A.C.) for ALOETTE Cosmetics for the year 2002, Sheri took pride in representing her peers, as well as her own Franchise; and values being a part of a company with such a progressive, team & result-oriented focus.

Aloette of North Shores

In 2005, coupled with needing more flexibility on the home-front *and ready to embrace her growing coaching and writing practice further*, Sheri joined forces with another Aloette Franchise! This was a very exciting move that will continue to open new doors for many, providing a forum for more like-minded women to come together (especially Sheri, her Sister-President Christine Kraft and Sheri's Mom, Gayle). Their teams will now go under the umbrella of Aloette of North Shores, representing their extended area of business and signifying how we are all connected, not only as women, but geographically as well. *To read more about Christine, click on the Aloette page to the left and open the Business Opportunities document.*

Sheri gives credit to her involvement with ALOETTE Cosmetics as an integral spring board for her personal development and success... and that of many others along the way.
