

Women for Women ™
Insightful Communications... Expressing You

Our First Annual Letter 2007

To all our Women For Women members,

Thank-you for an **incredible first year!**

The mantra that would aptly describe our members is actually Women For Women '**with heart!**'

As many of you know, our goal specifically within our Master Mentor chapters is to provide one another with support, feedback and accountability to be the best we can be (*and to **enjoy the process***).

The dynamics of each chapter is as unique *and as strong* as each of the participating members!

We've **grown** to 6 chapters to date; Founding Chapters 1 and 2 (in Holland Landing), Georgina, Thornhill, Markham and Don Mills ... with exciting interest brewing to expand to Barrie and North York... We'll keep you posted!

Half-way through our first year **we reached one of our goals**, our first 30 members, and sponsored a beautiful little girl named Momo through World Vision.

I'm inspired by all the ideas, insights and encouragement that I've seen shared over the last 12 months; along with the feedback to **increase the impact** of our mastermind chapters, as we move forward.

What's new for our 2007-2008 year? An on-line directory for all of our members; **connecting you to more people!** You may recall in our last newsletter, I shared that we had approximately 2,600 hits on our website in June. *Well in July, we had 3,800!!*

....There will be **no extra cost** for this.... We will include your contact info and tag line or similar; along with a current professional picture. New members and renewals will be simply \$75 plus gst, and of course, you will receive a receipt.

I have had the pleasure of talking to a number of you who have expressed interest in a speakers' circle... Our aim is to be to have a number of categories, this being one of them (via drop-down menus or similar)...

For those of you who *have the experience, credentials* and interest to be a part of our **speakers' circle** the separate membership cost for this category will be just \$95 plus gst. In addition to the above, we will add your bio and testimonials.

It's terrific to see the support and interest of so many like-minded and brilliant women. Many of you have requested our logo to include on your website, signifying you as a member, and also helping direct traffic to www.womenforwomen.ca with a link! **This helps everyone!** If you would like to do this too, simply send me a quick email!

Master Mentors is a mastermind-type group for women entrepreneurs! The women in your chapter are like **your very own board of directors**. After just a few meetings you see the exciting evolution and resources that are at your finger tips! Treat this time like gold!....

....As always, an **additional benefit** to members is the opportunity to submit a 150 word article for consideration in our newsletter. This is a great chance to announce a special event, new product or service, or simply educate our readers in your areas of expertise!

I'm excited and confident and that *the best is still yet to come!*

'Wishing you abundance in all things!
